## About us

Launched in 2013, the EIBN is a partnership project between five European bilateral chambers of commerce in Indonesia (BritCham, EKONID, EuroCham, IFCCI, INA) and two counterparts in Europe (EUROCHAMBRES, CCI Barcelona). Our aim is to promote Indonesia and ASEAN as high potential trade and investment destinations among companies from all EU28 member states – especially SMEs – and support them in their endeavor to explore the full potential in Indonesia. The project was initiated and is co-funded by the European Union.
