The EU-Vietnam Business Network (EVBN), the EU-Indonesia Business Network (EIBN) and the Chamber of Commerce and Industry of Poland would like to invite you to our event on 23 - 27 March 2015. The aim of the events is to learn about business opportunities in Vietnam and Indonesia and about services and activities offered by EVBN and EIBN to support Polish SMEs.

The objective of the two European business networks is to increase trade and investments from European SMEs to ASEAN and to strengthen the EU Business Sector in the ASEAN countries. EVBN and EIBN therefore also promote the growing opportunities in Vietnam and Indonesia as a gateway to the wider ASEAN market.

To learn more about activities and services of the EVBN and EIBN, please visit [www.evbn.org](http://www.evbn.org), [www.eibn.org](http://www.eibn.org).
